

Volunteers play an important role in achieving our mission and we appreciate your time and interest.

OUR MISSION

To provide financial support for Cancer Support Community by working as a team to create a positive resale experience for our customers, consignors, and volunteers.

ABOUT CANCER SUPPORT COMMUNITY

Cancer Support Community is part of a non-profit network dedicated to providing support, education, and hope to people affected by cancer. It was originally known as The Wellness Community, founded in 1990 by Lynne Stern, herself a cancer survivor, along with friends and supporters. The main location is in Blue Ash, with a satellite office in Ft. Wright, Kentucky, and off-site program venues throughout the region. Thousands of cancer patients, their families and friends participate in support groups, information sessions, social events and more, all entirely free of charge.

CANCER SUPPORT COMMUNITY'S MISSION

To ensure that all people impacted by cancer are empowered by knowledge, strengthened by action, and sustained by community.
